## **(Session 1) Container Shipping: Today and Tomorrow**

### **Hua Joo TAN, Co-Founder, Linerlytica**

Tan Hua Joo is the co-founder of LINERLYTICA, a research and information platform for the global container shipping market.

He has been involved in the container shipping industry since 1995, having held senior positions in leading container shipping, container leasing, container ship owning and liner market research companies. He was the creator of the Alphaliner weekly and monthly reports that was started in 2009 and remained as editor until 2020.

Mr. Tan graduated in 1995 with a BA in Politics, Philosophy and Economics from Oxford University. He received an MBA from Stanford University in 2004.
