

After 25 years in The French Navy, Captain Franck MAGARIAN has joined CMA CGM in December 2008.

He was successively appointed as Manager of the Land equipment logistic in Europe, in January 2010 as European Director for purchasing of Port and Terminal services and in January 2012 as Vice president Improvement Plan.

Franck was the Executive Vice president of CMA Ships in 2012 and 2013. Then mid-2013 he set up the Group Procurement department.

End 2014 he was appointed as Vice President of Ports & Terminals procurement for the Group.

His scope of responsibilities has been extended with the QSSE Department in June 2020 and the Operations Direction in November 2020.

Since 2021, he is managing the crisis and overlooking the feeding network.

Captain Franck MAGARIAN entered the French Navy in 1983 and was awarded various Master of Science degrees in Naval Engineering (Naval Academy, Brest), Nuclear Physics (INSTN CEA, Saclay), Strategy & Public Administration (War college, Paris) and Business Administration (Kedge, Marseille). He has sailed more than 23 years and was commanding officer of SSN Rubis, SSN Perle, SSBN Vigilant & SSBN Temeraire. His last position in the Navy was managing director in charge of the maintenance of the French fleet in Brest.
